Clients, Volunteers, and Staff:

JoyRide Center received notification that a person/persons who were on site, have tested positive for COVID-19. Please understand that per HIPAA we cannot/will not disclose the name of the person or persons with a lab-confirmed case. We will separately notify any staff, volunteer, or client who may have had close contact.

On the basis of the CDC guidelines, the Montgomery County Department of Health requires those individuals who have been in close contact to stay home for 14 days.

The facility is being sanitized. All staff, clients, and volunteers are instructed to continue to follow CDC guidelines and practice safety protocols by wearing a face covering, washing your hands, using hand sanitizer, and social distancing.

JoyRide Center is continuing to monitor the situation and will provide you with any necessary updates.

Sincerely,

JoyRide Center Management
